WHAT'S INCLUDED WITH YOUR 2018 BURNING MAN RENTAL:

RV rental insurance coverage is first covered from your auto policy by way of a binder or endorsement. However, in the event your auto policy will not cover you it may be provided to cover the drivers and vehicle with a \$2,500 to \$5,000 out of pocket damage deductible. Should any damage happen during transport or when on the Playa your deposit will first be billed then insurance is used. You, the renter is responsible even if you have requested us to deliver the coach on your behalf. Included with your rental: 55 total hours of generator run time, over these free hours will be billed at \$5 per hour -Basic House wares are included-White hotel quality bedding and linens are included for up to 3 beds, more linens run \$100 per person- 1- 150 qt. large ice chest is available just by asking for one- Up to 4 beach bikes are included and will be on the back of your RV. On-site technical assistance when available will be provide- Burning Man RV cleaning will cost up to \$1000 from your cleaning deposit if you leave the coach trashed. If no food and un-bagged trash is left behind on the counters, floors, refrigerator etc. you will get most of your cleaning deposit back. Trash removal of up to 6 bags left in the storage bays are included. If items are left on counters, cabinets, refrigerators, sinks, floors, bedrooms for removal your cleaning deposit will be used up. Note: Coach flooring prep and window sealing will be done to the coach to protect it and included at no additional charge. Wet floors from not having your coach dumped on the last day will result in your cleaning deposit being used up. Note: For your convenience you may ship items to us and purchase groceries from Shop.Safeway.com or AmazonFresh.com for you and your number of passengers. Excessive food and drink orders will be charged from your damage and or cleaning deposit. If you are part of a camp, you need to check with us for the number of items you plan to ship. Note: Food orders may require additional fees to be charged for special handling at a rate of \$95 per hour. We will place your shipped items in your coach and assist in shipping your items back after the event. Note: All items being shipped back to you MUST have been repacked and postage paid labels must be on your packages or we will bill \$95 per hour for this additional service. "Save yourself some money and pack your garbage and repack your packages and don't trash your rental."

On delivered coaches to Black Rock city, your coach will be available starting Saturday August 25th and only when you or your camp manager is directing our drivers for placement. We will not attempt to deliver your coach to your camp without someone directing the drivers. Your vehicle will be filled with water, propane and the holding tanks will be empty. We do not provide water or holding tank service during the event. You must make arrangements with one of the outside vendors, we are not a vendor for water and sewer service. Note: Burning Man vehicle passes will be obtained, and BLM fees are included with your rental fees for only the coaches we deliver to the Playa, not for Reno pickups.

On rentals being picked up in Reno at the Grand Sierra Resort Hotel RV Park we include the fuel to get your coach to Reno and back to our southern California lot. We do not provide fuel to and from Black Rock City. To receive your coach in Reno you may do so from 7 a.m. to 8 p.m. starting Saturday August 25th to Wednesday August 29th. Returning your coach may start on Saturday September 1st and must be returned by 8pm Monday September 3rd. Late returns starting on Tuesday September 4th will be billed at \$500 per day. Note: All additional charges will be deducted from your security deposit. Refunds of the security deposit will be made starting three weeks after the return of the rental. Deposits left with ShareMyCoach will ensure your 2019 placement vehicle.
